

G610 ORION BROWN™

Backlit Mechanical
Gaming Keyboard

CRAFTED FOR GAMING.

G610 Orion Brown Keyboard delivers a pure gaming experience. Starting with a performance-driven design, the keyboard integrates our most powerful technologies. From the finest details, like fingerprint-masking matte texture and durable braided cable, to the most complex, each aspect is precisely engineered to bring Logitech G's industry-leading technology and quality of construction to the uniquely crafted form. Cherry MX switches are standard in gaming keyboard. Long-life, low-noise Cherry MX Brown switches have a tactile bump for feedback. Logitech Gaming Software allows you to customise the brightness of each individual key light, as well as your settings and F1 to F12 key macros.*

*Some settings require Logitech Gaming Software available for download at logitech.com/downloads.
