Envision all you can do.

DELL ULTRASHARP 38 CURVED MONITOR | U3818DW

Be inspired to do more
All-encompassing. Virtually borderless curved screen.

Multitask like a pro
Productivity features for multitasking efficiency.

Consistent color. Incredible detail.
Enjoy stunning visuals with sharp details.

Highly reliable
Dell monitors — the number 1 monitor brand worldwide for four consecutive years.*

Envision all you can do.

DELL ULTRASHARP 38 CURVED MONITOR | U3818DW

YOU'LL BE INSPIRED TO DO MORE

Get an immersive experience and enjoy incredible visuals on this 37.5" WQHD+ curved screen with InfinityEdge.

- **Stay focused on your work:** The curvature of this expansive screen creates a near-complete field of view, providing an almost uniform visual focus that reduces eye movement across the screen. You'll work more comfortably with fewer distractions and more productivity.

- **Gorgeous visuals are only the beginning:** This 37.5" WQHD+ (3840 x 1600) curved screen delivers approximately 25 percent more screen content than a 34" screen. Plus InfinityEdge offers a virtually borderless display.

- **All-encompassing experience:** This curved screen with 21:9 aspect ration delivers a panoramic viewing experience while integrated 9W speakers bring the quality sound — a one-two punch that makes this monitor the ideal canvas for video editing projects.

CONSISTENT COLOR. INCREDIBLE DETAIL.

Complete your work projects and enjoy home entertainment with vivid visuals, accurate color and sharp details.

- **More show than tell:** You can expect outstanding detail and consistent color across a wide viewing angle — WQHD+ (3840 x 1600) screen featuring In-Plane Switching technology.

- **Accurate color, right out of the box:** Your monitor comes with 99% sRGB factory calibration for impressively precise color at Delta-E less than 2.

MULTITASK LIKE A PRO

Now you have the screen space, the tools and the features you need to do everything efficiently.

- **Get it done:** With features like Dell Easy Arrange, you can arrange your projects to best suit your screen space, while the Picture-in-Picture and Picture-by-picture (PbP) features allow you to display content from two PC sources simultaneously.

- **Masterful manageability:** You can display and edit content from two different PCs with a single KVM feature (keyboard, video and mouse).

- **Convenient connectivity:** A single cable solution with a USB Type-C connectivity transmits power, audio and video signals between a laptop and monitor. Connect and charge from a single source while reducing cable clutter.

- **Easy on the eyes:** This TUV-Certified[1] monitor has a flicker-free screen with ComfortView, a feature that filters harmful blue light emissions to optimize eye comfort.

SUPERB RELIABILITY

Comes with Dell's high reliability promise.

- From the #1 monitor brand worldwide for four consecutive years.*

- Enjoy peace of mind with Dell's Premium Panel Guarantee[2].

- Minimize downtime with Dell's Advanced Exchange Service.[3]

Thank you for making Dell Monitors

#1 worldwide*

---

*   Dell monitors are #1 worldwide for 4 consecutive years (2013 to 2016)! Source: IDC Worldwide PC Monitor Tracker (4Q16).

** Dell's HDR feature has been designed with a PC user in mind and supports specifications that are different from existing TV standards for HDR. Please review the specs carefully for further details.

***Dell HDR monitors require HDR10 enabled content from a compatible source like your service provider, a Blu-ray disc or a game.

1   TUV Certified (ID0000051369 – Flicker Free / ID0000051370 - Low Blue Light Content). For more details, visit www.tuv.com.

2   In the event you discover even one bright pixel during the Limited Hardware Warranty period, a free panel exchange is guaranteed. (see pixel panel info located on Dell.com web page for complete details): http://support.dell.com/support/topics/global.aspx/support/kcs/document?docid=414288

3   Advanced Exchange Service: Replacement part/unit dispatched, if needed, following completion of phone/online diagnosis. Fee charged for failure to return defective unit. Availability varies. Other conditions apply.

4   For a copy of the Limited Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see Dell.com/warranty.

5   The audio line-out port does not support headphones and Dell soundbar.
