

Overview

### HP ProDisplay P223 21.5-inch Monitor

HP ProDisplay P223 and HP Adjustable Dual Display Stand dual monitor configuration shown. (Note: monitors and stands sold separately)

\*NOTE: Multi-monitor support is dependent on your system. Check your user guide or technical specifications for compatibility. Optional accessories may be required.

#### Overview

#### Overview

Put your HP Pro PC content front and center on an ample 21.5-inch diagonal FHD screen with the HP ProDisplay P223 21.5-inch Monitor.

#### Key features:

- Share your content in crisp, clear color on the 21.5-inch diagonal screen with 1920 x 1080 resolution, and 3000:1 contrast ratio.<sup>1</sup>
- Experience stunning FHD picture quality, ultra-fast graphics refresh, and vivid colors with DisplayPort<sup>™</sup>.
- Attach your HP PC or select HP Thin Client directly behind the display.<sup>2</sup>
- Reduce power consumption and help lower your costs with an energy-efficient design.
- Get a stable product lifecycle and minimum one-year lifespan, plus Global Series availability around the world.
- Free up valuable desk space with mounting options<sup>3</sup> enabled by the 100-mm VESA pattern.
- Customize a total solution with options<sup>3</sup> designed for your display.
- Design the screen for how you work with HP Display Assistant software, which enables screen partitioning and helps deter theft by deactivating a display that's disconnected without approval.
- Rest assured that your IT investment is supported by a three-year standard limited warranty. Add HP Care services<sup>4</sup> to
  extend your protection beyond the standard limited warranties.
- 1 All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
- 2 Requires HP Quick Release, sold separately. See product QuickSpecs for exact PC and thin client compatibility.
- 3 Each accessory sold separately. Mounting hardware sold separately. Head only model sold separately and availability varies by region.
- 4 HP Care Pack Services are sold separately. Service levels and response times for HR care Pack Services may vary depending on your geographic location. Service starts from date of hardware purchase. Restrictions and limitations apply. See www.bbc.com/go/cpc for details. HP Services are governed by the applicable HP terms and conditions of service provided or indicated to Costomer at the tipe of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the RP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

|  | Service and Warranty |  |  |

- 1. External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
- 2. EPEAT <sup>®</sup> registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country. See HP's 3rd party option store for solar energy accessory http://www.hp.com/go/options.
- 3. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit: http://www.hp.com/go/cpc.
- 4. The HP Quick Release has been designed to support a maximum of up to 24 lbs (10.9 kg) for all devices mounted. Because mounting surfaces vary widely and the final mounting method and configuration may vary, mounting fasteners are not supplied (other than the VESA-compliant screws). HP recommends that you consult with a qualified engineering, architectural or construction professional to determine the appropriate type and quantity of mounting fasteners required for your application and to ensure that your mounting solution is properly installed to support applied loads.
