MOBILELITE PLUS SD READER

Next-Level Speed and Performance

Kingston's MobileLite Plus SD Reader features USB 3.2 Gen 1 speeds along with maximum performance for UHS-II supported SD cards and backwards compatibility with UHS-I supported SD cards. Use with Kingston's UHS-II supported SD cards for optimal performance and reliability. Increase the efficiency of your workflow with incredible UHS-II speeds for faster file transfers and processing times. It comes in a minimal and compact design for portability, making it the perfect travel companion to take your workflow on the road. The reader is best paired with Kingston Canvas Go! Plus or Canvas React Plus SD cards.

- › USB 3.2 Gen 1 speeds
- › Peak performance for UHS-II & support for UHS-I cards
- › Designed for optimal performance with Kingston SD cards
