

**PRODUCT DESCRIPTION**

USB powered for all desktop and portable devices for sound wherever you go. The flat panel design allows for the M1250 to be packed and transported with ease, while the volume and power are easily adjustable when in use, via controls located on the satellite. Magnetically shielded and equipped with a headphone jack, the M1250 is a practical audio solution.

**FEATURES**

- USB powered, compact 2.0 multimedia speakers
- Flat panel designed satellites
- Magnetically shielded speakers
- Built in power and volume controls
- 3.5mm auxiliary input and headphone jack

**SPECIFICATIONS**
